

Accessing the Index for the Encyclopedia of Polio and PPS

The Encyclopedia is easily available in one of two ways:

Go to Dr. Bruno's website: www.postpolioinfo.com and "click" on the Encyclopedia logo.

(or)

Go to: www.papolionetwork.org

From the "Home" page – you will see a section for Post-Polio Syndrome.

Open that section and you will see the entire Encyclopedia

(or)

Go to: www.papolionetwork.org/encyclopedia

You will see this "button".

COMPLETE ENCYCLOPEDIA INDEX - INCLUDING BRUNO BYTES (By Subject)

Open up the Index (Note: we update it every quarter).

Encyclopedia of Polio and PPS - Index by Subject - as of 3rd Qtr 2020

<https://www.papolionetwork.org/encyclopedia.html>

When you open the Index,

- If you have a PC (or PC compatible tablet) –
 - Hit "Control F"
 - You will see the "search" box come up on the upper right-hand corner of your screen.
 - Enter "Search" word.
- If you have an iPad –
 - Click the "GO TO" symbol ( or ) in the upper right-hand corner of SAFARI.
 - Scroll Down, Click "Find On Page" (the "spyglass") and enter SEARCH word.
- The Article names will be "highlighted". "Click" on the date (highlighted in blue) to access/download the article.
- Continue to "arrow down" from the "Search Box" for all articles.
 - Ex: We entered the words cpap. It shows that there are 10 articles.
